Dear Mr.

This letter confirms that upon the successful conclusion of the current collective bargaining negotiations, Brookfield Uniforms will be placed on the "Do Buy" list maintained by Workers United as a union made and union distributed line of products.

The parties are now in negotiations for a successor contract to the agreement that expired on September 7, 2013 and we are confident that the successor agreement will provide fair terms and conditions of employment for the Brookfield Uniform union represented employees.

Sincerely,

A handwritten signature in black ink, appearing to read "Noel Beasley".
